

Pledge of Compliance with Contractor Responsibility Ordinance

Consistent with National City Municipal Code Section 2.63.030 – Compliance with all laws, upon award of a Contract, the Contractor and any its Subcontractor(s), shall submit this Pledge of Compliance to the awarding authority attesting under penalty of perjury to compliance with the Contractor Responsibility Ordinance, and the following provisions:

- A) Contractors shall comply with all applicable federal, state, and local laws in the performance of the contract, including but not limited to laws regarding health and safety, labor and employment, wage and hours, and licensing laws which affect employees.
- B) Contractors shall notify the awarding authority within thirty calendar days after receiving notification that any government agency has initiated an investigation which may result in a finding that the contractor is not in compliance with subsection “A” of this section. Initiation of an investigation is not, by itself, a basis for a determination of non-responsibility by the awarding authority.
- C) Contractors shall notify the awarding authority within thirty calendar days of all findings by a government agency or court of competent jurisdiction that the contractor has violated subsection “A” of this section.
- D) Contractors shall ensure that their subcontractors complete a pledge of compliance attesting under penalty of perjury to compliance with subsection “A” of this section.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
