## **INSTRUCTIONS TO BIDDERS**

### **1. AVAILABILITY OF CONTRACT DOCUMENTS**

Bids must be submitted to the District on the Bid Forms which are a part of the Bid Package for the Project. Prospective bidders may obtain one (1) complete electronic set of Contract Documents at no cost. Contract Documents may be obtained from the District at the location(s) and at the time(s) indicated in the Notice Inviting Bids. Any applicable charges for the Contract Documents are outlined in the Notice Inviting Bids.

The District may also make the Contract Documents available for review at one or more plan rooms, as indicated in the Notice Inviting Bids. Please Note: Prospective bidders who choose to review the Contract Documents at a plan room must contact the District to obtain the required Contract Documents if they decide to submit a bid for the Project.

### **2. EXAMINATION OF CONTRACT DOCUMENTS**

The District has made copies of the Contract Documents available, as indicated above. Bidders shall be solely responsible for examining the Project Site and the Contract Documents, including any Addenda issued during the bidding period, and for informing itself with respect to local labor availability, means of transportation, necessity for security, laws and codes, local permit requirements, wage scales, local tax structure, contractors' licensing requirements, availability of required insurance, and other factors that could affect the Work. Bidders are responsible for consulting the standards referenced in the Contract. Failure of Bidder to so examine and inform itself shall be at its sole risk, and no relief for error or omission will be given except as required under State law.

### **3. INTERPRETATION OF CONTRACT DOCUMENTS**

Discrepancies in, and/or omissions from the Plans, Specifications or other Contract Documents or questions as to their meaning shall be immediately brought to the attention of the District by submission of a written request to the Bid Administrator for an interpretation or correction to the District.

Any interpretation of the Contract Documents will be made only by written addenda duly issued and emailed to each person or firm who has registered for a set of Contract Documents. The District will not be responsible for any explanations or interpretations provided in any other manner. Please Note: Bidders are responsible for ensuring that they have received any and all Addenda. Addenda will be posted on the District's webpage: [www.cajonvalley.net/bids](http://www.cajonvalley.net/bids). No person is authorized to make any oral interpretation of any provision in the Contract Documents to any bidder, and no bidder should rely on any such oral interpretation.

Bids shall include complete compensation for all items that are noted in the Contract Documents as the responsibility of the Contractor.

### **4. INSPECTION OF SITE; PRE-BID CONFERENCE AND SITE WALK**

Each prospective bidder is responsible for fully acquainting itself with the conditions of the Project Site (which may include more than one site), as well as those relating to the construction and labor of the Project, to fully understand the facilities, difficulties and restrictions which may impact the cost or effort required to complete the Project. To this end, a Pre-Bid Conference and Site Walk may be held on the date(s) and time(s) as indicated in the Notice Inviting Bids.

## **5. ADDENDA**

The District reserves the right to revise the Contract Documents prior to the bid opening date. Revisions, if any, shall be made by written Addenda. All addenda issued by the District shall be included in the bid and made part of the Contract Documents. Pursuant to Public Contract Code Section 4104.5, if the District issues an Addendum which includes material changes to the Project less than 72 hours prior to the deadline for submission of bids, the District will extend the deadline for submission of bids. The District may determine, in its sole discretion, whether an Addendum warrants postponement of the bid submission date. Each prospective bidder shall provide District a name, e-mail address and facsimile number to which Addenda may be sent, as well as a telephone number by which the District can contact the bidder. Copies of Addenda will be furnished by facsimile or e-mail without charge to all parties who have obtained a copy of the Contract Documents and provided such current information. Please Note: Bidders are responsible for ensuring that they have received any and all Addenda. To this end, each bidder should contact the Purchasing Department to verify that he has received all Addenda issued, if any, prior to the bid opening. Addenda will also be posted on the District's webpage: [www.cajonvalley.net/bids](http://www.cajonvalley.net/bids).

## **6. ALTERNATE BIDS**

If alternate bid items are called for in the Contract Documents, the lowest bid will be determined on the basis of the base bid only. However, the District may choose to award the contract for the base bid alone or the base bid and any alternate or combination of alternates. The time required for completion of the alternate bid items has been factored into the Contract duration and no additional Contract time will be awarded for any of the alternate bid items. The District may elect to include one or more of the alternate bid items, or to otherwise remove certain work from the Project scope of work, accordingly each Bidder must ensure that each bid item contains a proportionate share of profit, overhead and other costs or expenses which will be incurred by the Bidder.

## **7. COMPLETION OF BID FORMS**

Bids shall only be prepared using copies of the Bid Forms which are included in the Contract Documents. The use of substitute bid forms other than clear and correct photocopies of those provided by the District will not be permitted. Bids shall be executed by an authorized signatory as described in these Instructions to Bidders. In addition, Bidders shall fill in all blank spaces (including inserting "N/A" where applicable) and initial all interlineations, alterations, or erasures to the Bid Forms. Bidders shall neither delete, modify, nor supplement the printed matter on the Bid Forms nor make substitutions thereon. USE OF BLACK OR BLUE INK, INDELIBLE PENCIL OR A TYPEWRITER IS REQUIRED. Deviations in the bid form may result in the bid being deemed non-responsive.

## **8. MODIFICATIONS OF BIDS**

Each Bidder shall submit its Bid in strict conformity with the requirements of the Contract Documents. Unauthorized additions, modifications, revisions, conditions, limitations, exclusions or provisions attached to a Bid may render it non-responsive and may cause its rejection. Bidders shall neither delete, modify, nor supplement the printed matter on the Bid Forms, nor make substitutions thereon. Oral, telephonic and electronic modifications will not be considered, unless the Notice Inviting Bids authorizes the submission of electronic bids and modifications thereto and such modifications are made in accordance with the Notice Inviting Bids.

## **9. DESIGNATION OF SUBCONTRACTORS**

Pursuant to the Subletting and Subcontracting Fair Practices Act, Bidders must designate the name, business location, DIR registration number, and California contractor license number of each subcontractor who will perform work or render services for the Bidder in an amount that exceeds one-half of one percent (1/2%) of the Bidder's Total Bid Price, as well as the portion of work each such subcontractor will

perform on the form provided herein by the District. The included "Designation of Subcontractors" form is to be submitted with bid.

#### **10. DISABLED VETERAN BUSINESS ENTERPRISES**

Compliance with Disabled Veteran Business Enterprise (DVBE) contracting goals is encouraged for this project. In accordance with Education Code section 17076.11 the District has a DVBE participation goal of 3% per year of the overall dollar amount of state funds allocated to the District pursuant to the Leroy F. Greene School Facilities Act of 1998, and expended each year by the District. The District is encouraging DVBE participation in this project.

Bidders are encouraged to make a good faith effort to contact and utilize DVBE subcontractors and suppliers in securing bids for performance of the contract. Information regarding certified DVBE firms can be obtained from the Office of Small Business Certification and Resources (OSBCR) at (916) 323-5478 or (916) 322-5060 as well as the OSBCR website at [www.dgs.ca.gov/osbcr](http://www.dgs.ca.gov/osbcr). Verification of DVBE status can be obtained from the OSBCR by receiving an approved certification letter and reference number from that office. Bidders are to attach documentation of any good faith efforts to the bid documents.

Bidders must indicate on the bid form whether they are a certified DVBE and if so, provide a copy of the DVBE Certification Letter issued by OSBCR. Bidders are to also indicate whether a good faith effort was made to include DVBE subcontractors and suppliers in the bid. In addition, bidders are to indicate on the Designation of Subcontractors form whether the subcontractor is DVBE certified, and if so, provide the District a copy of the DVBE Certification Letter issued by OSBCR.

For projects funded by the State, prior to, and as a condition precedent for final payment under the Contract, the successful bidder shall provide the District with written documentation identifying the amount paid to certified DVBE subcontractors and suppliers in performance of the Contract and provide a copy of the DVBE Certification Letter issued by OSBCR for each DVBE. This documentation will be used by the District to evaluate its success in meeting its DVBE participation goal.

#### **11. LICENSING REQUIREMENTS**

Pursuant to Section 7028.15 of the Business and Professions Code and Section 3300 of the Public Contract Code, all bidders must possess proper licenses for performance of this Contract. Subcontractors must possess the appropriate licenses for each specialty subcontracted. Pursuant to Section 7028.5 of the Business and Professions Code, the District shall consider any bid submitted by a contractor not currently licensed in accordance with state law and pursuant to the requirements found in the Contract Documents to be nonresponsive, and the District shall reject the Bid. The District shall have the right to request, and Bidders shall provide within five (5) calendar days, evidence satisfactory to the District of all valid license(s) currently held by that Bidder and each of the Bidder's subcontractors, before awarding the Contract.

#### **12. DEPARTMENT OF INDUSTRIAL RELATIONS (DIR) CONTRACTOR REGISTRATION REQUIREMENTS**

- a) No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code

section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

- b) No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.
- c) This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

No bid will be accepted nor any contract entered into without proof of the contractor's and subcontractors' current registration with the Department of Industrial Relations to perform public work. If awarded a Contract, the Bidder and its subcontractors, of any tier, shall maintain active registration with the Department of Industrial Relations for the duration of the Project. To this end, Bidder shall sign and submit the Certification of Division of Industrial Relations Registration with its Bid, on the form provided, attesting to the facts contained therein. Failure to submit this form may render the Bid non-responsive. In addition, each Bidder shall provide the registration number for each listed subcontractor in the space provided in the Designation of Subcontractors Form.

### **13. SIGNING OF BIDS**

All Bids submitted shall be executed by the Bidder or its authorized representative. Bidders may be asked to provide evidence in the form of an authenticated resolution of its Board of Directors or a Power of Attorney evidencing the capacity of the person signing the Bid to bind the Bidder to each Bid and to any Contract arising therefrom.

If a Bidder is a joint venture or partnership, it may be asked to submit an authenticated Power of Attorney executed by each joint venturer or partner appointing and designating one of the joint venturers or partners as a management sponsor to execute the Bid on behalf of Bidder. Only that joint venturer or partner shall execute the Bid. The Power of Attorney shall also: (1) authorize that particular joint venturer or partner to act for and bind Bidder in all matters relating to the Bid; and (2) provide that each venturer or partner shall be jointly and severally liable for any and all of the duties and obligations of Bidder assumed under the Bid and under any Contract arising therefrom. The Bid shall be executed by the designated joint venturer or partner on behalf of the joint venture or partnership in its legal name.

### **14. BID GUARANTEE (BOND)**

Each bid shall be accompanied by: (a) cash; (b) a certified check made payable to the District; (c) a cashier's check made payable to the District; or (d) a bid bond payable to the District executed by the bidder as principal and surety as obligor in an amount not less than 10% of the maximum amount of the bid, or bid will be rejected as non-responsive. Personal sureties and unregistered surety companies are unacceptable. The surety insurer shall be California admitted surety insurer, as defined in Code of Civil Procedure Section 995.120. The cash, check or bid bond shall be given as a guarantee that the bidder shall execute the Contract if it be awarded to the bidder. Upon award, Bidder shall provide the executed contract, payment and performance bonds, and insurance certificates and endorsements as required herein within five (5) business days after notification of the award of the Contract to the bidder. Failure to provide the required documents may result in forfeiture of the bidder's bid deposit or bond to the District and the District may award the Contract to the next lowest responsible bidder, or may call for new bids.

Rating for the surety must be A++, A+, A, or no less than A-. Rating information can be obtained from Best's State Rate Filings: <http://www.ambest.com/bsrf>

## 15. SUBMISSION OF SEALED BIDS

Once the Bid and supporting documents have been completed and signed as set forth herein, they shall be placed, along with the Bid Guarantee and other required materials in an envelope, sealed, addressed and delivered or mailed, postage prepaid to the District at the place and to the attention of the person indicated in the Notice Inviting Bids. No oral or telephonic bids will be considered. No forms transmitted via the internet, e-mail, facsimile, or any other electronic means will be considered unless specifically authorized by District as provided herein.

Only where expressly permitted in the Notice Inviting Bids, may Bidders submit their bids via electronic transmission pursuant to Public Contract Code Sections 1600 and 1601. The acceptable method(s) of electronic transmission shall be stated in the Notice Inviting Bids. District reserves the right to not accept electronically transmitted bids where not specifically authorized in the Notice Inviting Bids, and may reject any bid not strictly complying with District's designated methods for delivery.

## 16. DELIVERY AND OPENING OF BIDS

Bids will be received by the District at the address shown in the Notice Inviting Bids up to the date and time shown therein. The District will leave unopened any Bid received after the specified date and time, and any such unopened Bid will be returned to the Bidder. It is the Bidder's sole responsibility to ensure that its Bid is received as specified.

Bids will be opened at the date and time stated in the Notice Inviting Bids, and the amount of each Bid will be read aloud and recorded. All Bidders may, if they desire, attend the opening of **Bids or listen via conference call, as per the instructions in the Notice Inviting Bids**. The District may in its sole discretion, elect to postpone the opening of the submitted Bids. District reserves the right to reject any or all Bids and to waive any informality or irregularity in any Bid. In the event of a discrepancy between the written amount of the Bid Price and the numerical amount of the Bid Price, the written amount shall govern.

## 17. WITHDRAWAL OF BID

Prior to bid opening, a Bidder may withdraw a Bid only by means of a written request signed by the Bidder or its properly authorized representative. After bid opening, the District will consent to a Bidder's request to withdraw a Bid only if the Bidder establishes, in writing to the District, that the request for withdrawal satisfies all criteria set forth in Public Contract Code Section 5103. If the Bid Documents authorize the District, among other options, to award contracts based on separate line items or Base Bids as designated in the Bid Form, then, subject to the provisions of this Section 17, a Bidder may seek to withdraw one or more of the line items or Base Bids, without needing to withdraw all line items or Base Bids.

## 18. BASIS OF AWARD; BALANCED BIDS

The award of the contract, if made by the Owner, will be by line item to the lowest responsive, responsible bidder(s) therefore, or to the Bidder with the lowest combined bid, whichever results in a lower total cost. The District may reject any Bid which, in its opinion when compared to other bids received or to the District's internal estimates, does not accurately reflect the cost to perform the Work. The District may reject as non-responsive any bid which unevenly weights or allocates costs, including but not limited to overhead and profit to one or more particular bid items. The District reserves the right to reject any or all bids or to waive any irregularities or informalities in any bids or in the bidding process.

## 19. IDENTICAL BIDS

Pursuant to Section 20117 of the Public Contract Code, in the event there are two or more identical lowest or highest bids, as the case may be, submitted to a school district for the purchase, sale or lease of real property, supplies, materials, equipment, services, bonds, or the awarding of any contract, pursuant to a provision requiring competitive bidding, the governing board of any school district may determine by lot which bid shall be accepted.

When bids are equal, they shall be awarded by lot, and shall be witnessed by three (3) impartial observers.

## 20. DISQUALIFICATION OF BIDDERS; INTEREST IN MORE THAN ONE BID

No person, firm, or corporation shall be allowed to make, or file, or be interested in more than one bid for the same work unless alternate bids are specifically called for. A person, firm, or corporation that has submitted a sub-proposal to a bidder, or that has quoted prices of materials to a bidder, is not thereby disqualified from submitting a sub-proposal or quoting prices to other bidders or making a prime proposal.

## 21. INSURANCE REQUIREMENTS

The successful bidder shall procure the insurance in the form and in the amount specified in the Contract Documents.

## 22. AWARD PROCESS

Once all Bids are opened and reviewed to determine the lowest responsive and responsible Bidder, the District Board may award the contract. The apparent successful Bidder should begin to prepare the following documents: (1) the Performance Bond; (2) the Payment Bond; (3) the required insurance certificates and endorsements; and (4) the Criminal Background Investigation/Fingerprinting Certification (WAIVED). Once the District notifies the Bidder of the award, the Bidder will have five (5) business days from the date of this notification to execute the Contract and supply the District with all of the required documents and certifications. Once the District receives all the properly drafted and executed documents and certifications from the Bidder, the District shall issue a Notice to Proceed to that Bidder.

## 23. FILING OF BID PROTESTS

Bidders have the right to protest as described below. Whether concerns are about a Request for Proposal (RFP), Request for Quotation or Qualification (RFQ) or an Invitation for Bid (IFB), the following shall apply. The term "Bids" shall refer to either an RFP/Q or an IFB process.

**Inquiry or Intention does not constitute a Protest:** Notice of an intention to protest does not substitute for filing of a protest following the form and content required within the deadlines stated. Further, casual inquiry or complaint that does not specifically identify the purpose as a protest, and does not comply with the form, content and deadlines herein, are also not considered or acted upon as a protest action.

Certain **concerns must be filed as a protest before bids are due.** Any matter known - or that should have been known - before the bid deadline, must be brought to the Purchasing Department, Bid Administrator, in writing at least three (3) business days before the bid deadline. Such matters include, but are not limited to:

- 1) Complaints about events or decisions made before the solicitation deadline,
- 2) Complaints that the solicitation unduly constrains competition through improper minimum qualifications or specifications,

- 3) Complaints that the pre-bid conference was not fair or accessible,
- 4) Complaints that questions were not fully or properly addressed by the District.
- 5) Complaints that the RFP/Q or IFB did not provide adequate information or contained an improper criteria;
- 6) Other matters known or that should have been known, to interested bidders by reading the solicitation document.

**Protest on items known after bid deadline:**

After the bid deadline, **only** vendors that submitted a bid are eligible to protest. Only Vendors who would be the next apparent low bidder if the bid protest is successful are eligible to protest.

**Grounds for Protest and Protest Form:** A written, formal protest must contain the following to be considered. Failure to provide the following information could result in rejection of the protest.

- 1) Company name, mailing address, phone number, and name of company individual responsible for submission of the protest;
- 2) The Bid Number and title;
- 3) The specific action or decision protested to include;
  - a) a specific identification of the statutory or regulatory provision(s) that the action complained of is alleged to have violated;
  - b) a specific description of each act alleged to have violated the statutory or regulatory provision(s) identified in the above paragraph (a) of this subsection;
  - c) a precise statement of the relevant facts;
  - d) an identification of the issue or issues to be resolved; and
  - e) argument and authorities in support of the protest.
- 4) Indicate what relief or corrective action you believe the District should make.
- 5) Demonstrate that every reasonable effort was made within the schedule provided, for you to resolve the basis of the protest during the process, including asking questions, seeking clarification, requesting addenda, and otherwise alerting the District to any perceived problems.
- 6) Signed by an authorized agent of the company.
- 7) Deliveries by hand, or fax (must be followed up with a hard copy), in acceptable formats. Deliveries by e-mail will not be accepted. The District is not responsible to assure the protest is received within the protest deadlines. If the District does not receive the protest within the specified deadline, the protest will be rejected. The follow up mailing address for all protests:

Cajon Valley School District  
 Director, Purchasing, Warehouse & Duplicating Services  
 225 Roanoke Road  
 El Cajon, CA 92020

### **Protest Deadlines:**

- 1) Protests must be received in the Purchasing Office no later than 4:00 p.m. Pacific Time, five (5) business days after the date the RFP/Q or IFB recap is posted on the Purchasing web page under "Bid Recap Results". Webpage: [www.cajonvalley.net/bids](http://www.cajonvalley.net/bids).
- 2) Protests received after the time specified are untimely and may be denied on that basis unless the District concludes that the issues raised by the protest involve fraud, gross abuse of the procurement process, or indicate substantial prejudice to the integrity of the procurement process.
- 3) The Purchasing Department shall make efforts to distribute the recap to the affected bidder(s), such as posting on the District's website or faxing the notice to the affected bidder(s). However, it is the Bidder's responsibility to seek out and obtain the announcement from the District. The District is not responsible for assuring the Bidders have learned of the announcement in time to file a protest.

### **Protest Process and Appeals**

- 1) The Purchasing Director will review the protest. All available facts will be considered and the Purchasing Director shall issue a decision. This decision shall be delivered in writing by e-mail or fax (will be followed up with a hard copy).
- 2) If either party believes the Purchasing Director has failed to consider a fact and has made an error in the protest decision, the bidder has a right to appeal that decision. The appeal is limited to only those matters brought forward to the District in the original protest. The appeal must clearly state why the Purchasing Director's decision is in error.
- 3) The bidder shall issue a Protest Appeal Statement by 4:00 PM (Pacific Standard Time) by the third (3<sup>rd</sup>) business day following issuance of the Purchasing Director's decision. This appeal shall be delivered by the Protesting vendor, in writing by hand delivery or fax (must be followed up with a hard copy). Delivery by e-mail will not be accepted.

# PERFORMANCE BOND

KNOW ALL PERSONS BY THESE PRESENTS:

THAT WHEREAS, **CAJON VALLEY UNION SCHOOL DISTRICT** (hereinafter referred to as "District") has awarded to \_\_\_\_\_, (hereinafter referred to as the "Contractor") an agreement for:

**REQUEST FOR BID NO. 1608  
RELOCATABLE BUILDING INSTALLATIONS  
FUERTE AND MAGNOLIA ELEMENTARY SCHOOLS**

(hereinafter referred to as the "Project").

WHEREAS, the work to be performed by the Contractor is more particularly set forth in the Contract Documents for the Project (hereinafter referred to as "Contract Documents"), the terms and conditions of which are expressly incorporated herein by reference; and

WHEREAS, the Contractor is required by said Contract Documents to perform the terms thereof and to furnish a bond for the faithful performance of said Contract Documents.

NOW, THEREFORE, we, \_\_\_\_\_, the undersigned Contractor and \_\_\_\_\_ as Surety, a corporation organized and duly authorized to transact business under the laws of the State of California, are held and firmly bound unto the District in the sum of \_\_\_\_\_ DOLLARS, (\$ \_\_\_\_\_), said sum being not less than one hundred percent (100%) of the total amount of the Contract, for which amount well and truly to be made, we bind ourselves, our heirs, executors and administrators, successors and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH, that, if the Contractor, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and agreements in the Contract Documents and any alteration thereof made as therein provided, on its part, to be kept and performed at the time and in the manner therein specified, and in all respects according to their intent and meaning; and shall faithfully fulfill all obligations including the one-year guarantee of all materials and workmanship; and shall indemnify and save harmless the District, its officers and agents, as stipulated in said Contract Documents, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As a part of the obligation secured hereby and in addition to the face amount specified therefore, there shall be included costs and reasonable expenses and fees including reasonable attorney's fees, incurred by District in enforcing such obligation.

As a condition precedent to the satisfactory completion of the Contract Documents, unless otherwise provided for in the Contract Documents, the above obligation shall hold good for a period of one (1) year after the acceptance of the work by District, during which time if Contractor shall fail to make full, complete, and satisfactory repair and replacements and totally protect the District from loss or damage resulting from or caused by defective materials or faulty workmanship. The obligations of Surety hereunder shall continue so long as any obligation of Contractor remains. Nothing herein shall limit the District's rights or the Contractor or Surety's obligations under the Contract, law or equity, including, but not limited to, California Code of Civil Procedure section 337.15.

Whenever Contractor shall be, and is declared by the District to be, in default under the Contract Documents, the Surety shall remedy the default pursuant to the Contract Documents, or shall promptly, at the District's option:

- (1) Take over and complete the Project in accordance with all terms and conditions in the Contract Documents; or
- (2) Obtain a bid or bids for completing the Project in accordance with all terms and conditions in the Contract Documents and upon determination by Surety of the lowest responsive and responsible bidder, arrange for a Contract between such bidder, the Surety and the District, and make available as work progresses sufficient funds to pay the cost of completion of the Project, less the balance of the contract price, including other costs and damages for which Surety may be liable. The term "balance of the contract price" as used in this paragraph shall mean the total amount payable to Contractor by the District under the Contract and any modification thereto, less any amount previously paid by the District to the Contractor and any other set offs pursuant to the Contract Documents.
- (3) Permit the District to complete the Project in any manner consistent with California law and make available as work progresses sufficient funds to pay the cost of completion of the Project, less the balance of the contract price, including other costs and damages for which Surety may be liable. The term "balance of the contract price" as used in this paragraph shall mean the total amount payable to Contractor by the District under the Contract and any modification thereto, less any amount previously paid by the District to the Contractor and any other set offs pursuant to the Contract Documents.

Surety expressly agrees that the District may reject any contractor or subcontractor which may be proposed by Surety in fulfillment of its obligations in the event of default by the Contractor.

Surety shall not utilize Contractor in completing the Project nor shall Surety accept a bid from Contractor for completion of the Project if the DISTRICT, when declaring the Contractor in default, notifies Surety of the District's objection to Contractor's further participation in the completion of the Project.

The Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the Contract Documents or to the Project to be performed thereunder shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract Documents or to the Project.
